Early Intervention Client Referral

STEP 1 . . .

Dear Case Managers,

We are accepting EI clients on a case-by-case basis for PT, OT, and ST. If you would like to make a referral to Sumlar Therapy Services, Inc., please complete the following form and fax it to (334) 445-6363. Please keep a blank copy of this form as a master copy, and make copies for future referrals.

When the referral is received, we will consider our ability to provide the requested service in the natural environment. You will receive a faxed response accepting or deferring your client, specifying which, if any, therapy disciplines are available for your client. If we are unable to serve your client in the natural environment, but have availability in the clinic, we will inform you of that also.

We look forward to working with you and with your clients.

Sincerely,

Kristin R. Sumlar, PT
